

ADULT MINISTRIES REPORT

Jerry Costley | Pastor of Spiritual Growth and Discipleship

Valley is a place where so many people live out three of our church values -- Knowing, Growing, and Caring -- in the group discipleship environments. Almost 100 groups, over 100 leaders, and about 1,000 adults engage in studying and discussing the Bible, praying together, and building relationships.

I am looking forward to this fall, when Pastor Jay teaches through a series on community and the “one anothers” that God wants us to live out (such as: love one another, encourage one another, pray for one another). More groups will start this fall and more leaders will be needed!

About 450 married couples (and almost-married couples!) participated in one of our marriage seminars with Paul and Virginia Friesen in June, 2017, and May, 2018. God used those times to strengthen and encourage marriages.

A Discipleship Team was formed to help those who aren't connected to get into a group, to help advance discipleship and spiritual growth, and to help develop leaders.

Thanks so much to Heather James and Olga Borek, who work so well in helping our adult discipleship and spiritual growth ministries move forward.
